## Other Important Recital Things You Need to Know

**Parking:** You will not have to search for a parking space! There will be a parking fee of \$10 and attendants will park you on the premises and secure the lots during the show. You may **NOT** park on the highway or in the restaurant parking lot as The Highway Patrol will tow you. Parking is close and easy.

**Helping Moms:** Our most valuable asset at recital time! Please thank your dancer's Helping Moms. Without them this recital would not be possible.

**Why a Park Setting for the Recital?** We have enjoyed an outside recital for 49 years. It doesn't require hours of theatre rehearsal for lights and tech, it lowers your total cost for recital, it is a relaxed, non-intimidating atmosphere for your dancer, and it is really a lot of family fun!

**Finale:** We will have a finale this year and dancers will be released at the end. You will have an assigned gate for drop off and pick up. We will share that assignment on rehearsal day.

\*Creative Dancers will be released after their dance.

\*Pre Ballet 1 will be released at Intermission.

**ALL** other dancers must remain in the Dancer Seating Area until after the finale, **NO** exceptions.

Dance!*
